## Cobblestone Edging

An authentic replica of stones laid on edge, each block is a composite of ten 'stones' for ease of laying. Precisely designed corner blocks provide a clean finish. With two natural looking shades, cobblestone edging blends well in any landscape design.

**Size:** 17½" x 8½" x 1½"

Colors

Cobblestone Edging is available in the following Colors:

**Bluestone York Brown Autumn Cotswold**
