Madoc Walling

Madoc walling captures the beauty of natural field stone, and is an easy build walling block. The authentic appearance of dry laid, natural stone is achieved by reproducing the profiles of a number of stones in a single, easy to handle, "z" shaped Madoc block.

Sizes

Madoc Walling is available in the following individual sizes:

Unit	Size
Full Block	24" x 4" x 6"
Coping	18½" x 5" x 1¼"
Infill Unit	4" x 4" x 2¾"
Pier Cap	25" x 25" x 2¼"

Colors

Madoc Walling is available in the following colors:
